INVERSPEED

Boosting the latest INVERSPEED technology, iSpeed Pro combines Autopilot with a perfectly balanced structure. Benefiting from pioneering inverter innovations, INVERSPEED enables self-regulation of mowing power, speed, and noise emissions, delivering 5H endurance and 3X efficiency.

iSpeed Pro, your professional lawn guardian, enhances your garden experience with more precious moments to enjoy!

BEYOND LIMIT

RTK+ HIGH POSITIONING ACCURACY

By establishing an RTK network with single antenna or Cloud, iSpeed Pro knows its position and easily navigates to mow your lawn in nice straight lines, achieving perfect lawn maintenance while reducing the installation work and the possibility of manual intervention.

3X SPEEDY

Save UP to 100 hours/month

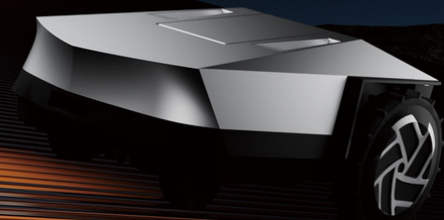

Experience effortless lawn care with iSpeed Pro's advanced autopilot featuring a 3D S-Path. Enjoy up to 5 hours of continuous mowing on a single charge.

With a 500m² garden, save up to 100 hours monthly by letting iSpeed Pro handle your weekly lawn maintenance.

5H ENDURANCE

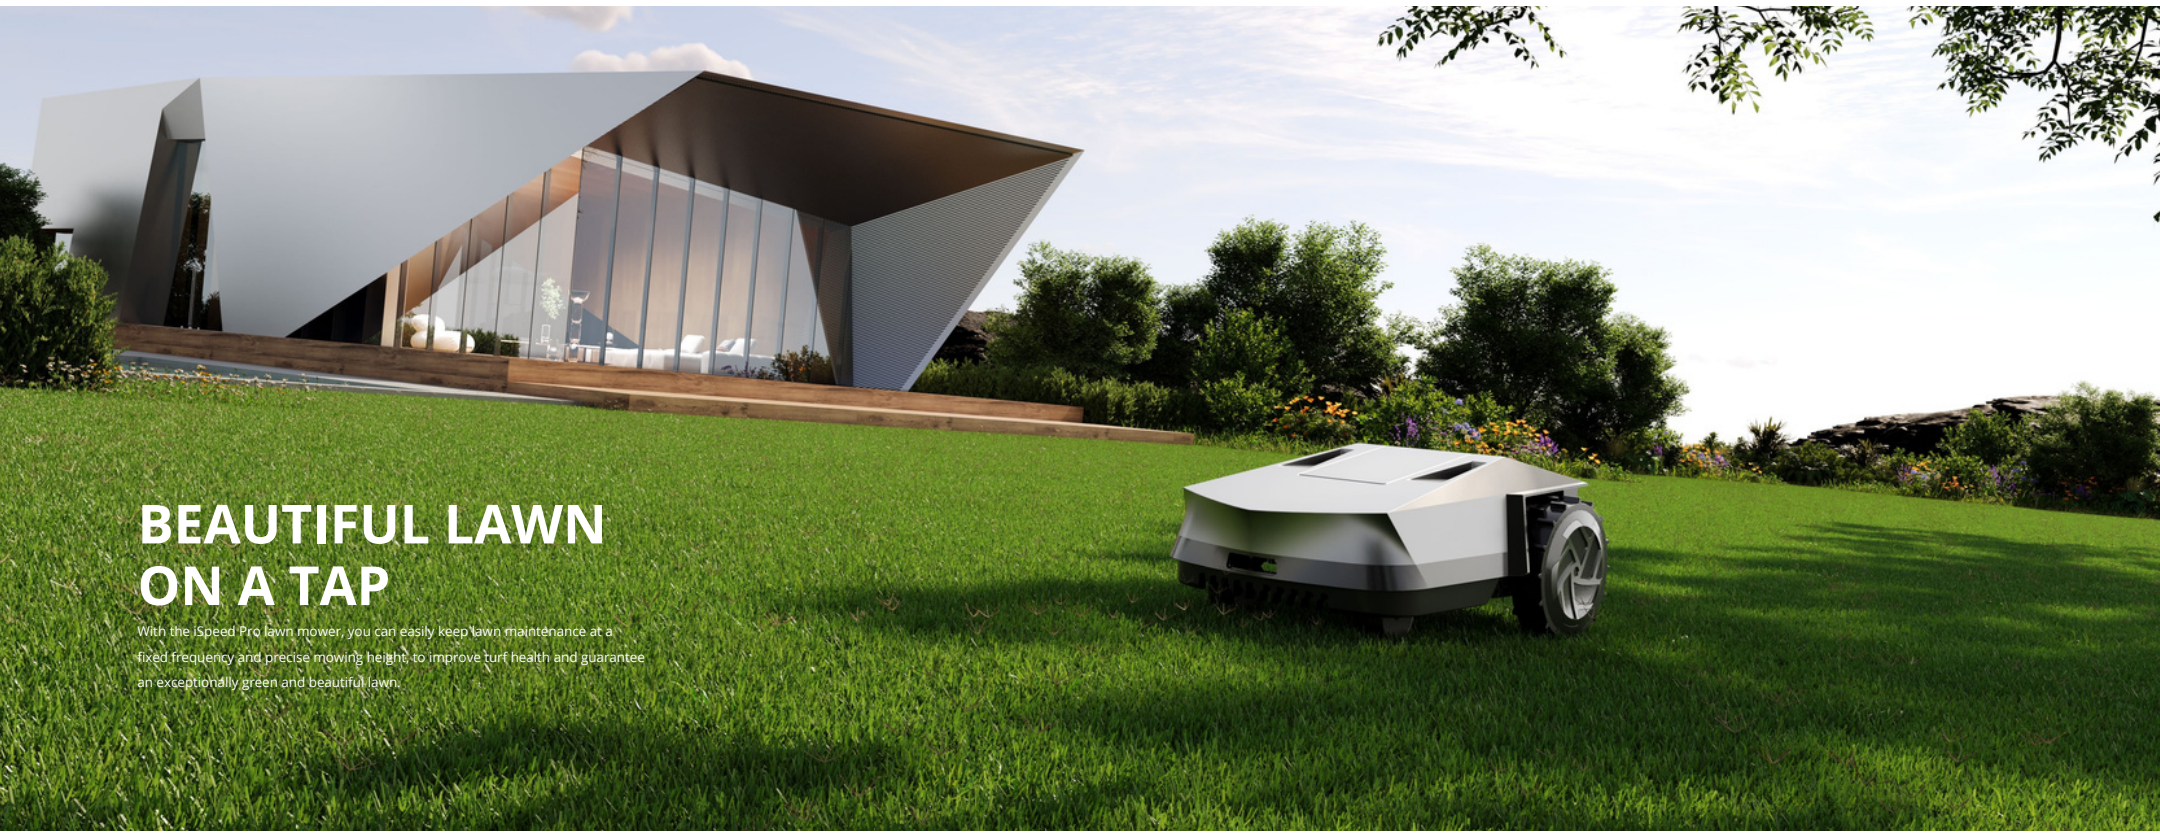

INVER SPEED technology seamlessly integrates with leading automotive battery and quick charge innovation, setting the industry standard with an impressive 5-hour endurance, ensuring high efficiency and convenience for users.

120% BOOST

iSpeed Pro utilizes our aerospace-grade motor, ensuring excellent performance of 120% boost mode and elevating a high mowing speed up to 3000rpm. Easily tackle bumpy or uneven surfaces, achieving a superior and even-cut lawn care.

BEAUTIFUL LAWN ON A TAP

With the iSpeed Pro lawn mower, you can easily keep lawn maintenance at a fixed frequency and precise mowing height to improve turf health and guarantee an exceptionally green and beautiful lawn.

USER-FRIENDLY APP

-  **Autopilot Mapping**
One click mapping. iSpeed Pro app can create map automatically. Control your mowing anytime anywhere with WiFi connection.
-  **OTA System**
Simple OTA upgrade on software and system.

iSpeed Pro Technical Specifications

Model No.	AIF35	AIF46	AIF55
ID			
Navigation system	RTK+		
Endurance, h	3.5	4.6	5.5
Maximum area, m ²	800	2200	3000
Charging time, h	1.5 (Quick Charge)	2 (Quick Charge)	2.5 (Quick Charge)
Max.zone management	10	20	30
Net Weight	9.9kg	10kg	10kg
Cutting height min/max	30-60 mm		
Cutting width	180 mm		
Max. slope, inside/by edge	45%/24°		
Waterproof Level	IP66		
Obstacle	Ultrasonic sensor		
Rain Sensor	YES		
Sound level, dB(A)	54 dB(A)		
Connectivity	APP / Wifi / Bluetooth		
Anti-theft	4G
