## Quick Set® Pools

7

The Quick Set® Ring Pool is quick and easy to set up. Perfectly sized for you and your friends, you will be the talk of the neighborhood as you splash away all season.

## Small Frame Pools

27

Perfectly sized for smaller spaces or smaller swimmers, these pools are a breeze to set up. Coof off in any of these convenient pools, available in a variety of designs and colors.

## Active Frame Pools

31

Both durable and easy to set up, these popular pools will provide hours of fun season after season. Available in an assortment of shapes and sizes, you and all your friends will have plenty of space to splash around.

## Elite Frame Pools

45

Everything you want and need in a pool is offered in the Elite series. Lasting durability, superior strength, abundant sizing and easy setup are all characteristics of this premium pool that will have you cooling off in style all season long.

## Wicker Print Pools

53

The Wicker Print Pools provide all the fun from an above-ground pool with a touch of class. Available in Quick Set® Pools, Active Frame Pools and Elite Frame Pools, it gives your backyard a taste of modern while making a huge splash this summer.

## Filter Pump Systems

77

Keep your pool water clean and clear all season long with our exclusive filter systems. These easy-to-use filters do all the work for you, so that you can relax and enjoy your pool throughout the season.

## Pool Accessories

82

The exclusive line of pool accessories from Polygroup® is designed to optimize customer convenience and value. We offer everything you need to enjoy your pool all season long, including pool covers, maintenance kits and ground cloths.

## Wading Pools

96

Affordability and versatility are the hallmarks of these well-designed Wading Pools. Fill it up with water for an instantaneous swimming oasis or with sand to dig for treasures, so your little ones will be happily entertained throughout the season.

## Enjoy a Splash this Summer

Create more memories this summer by having hours of fun in the sun! Polygroup® offers top-of-the-line above-ground swimming pools for children and adults. We are proud to present our esteemed outdoor products with bright colors, fun designs and sturdy construction, backed by outstanding customer service.

Rather than suffering the expenses and hassle of installing and maintaining an in-ground swimming pool, you can choose a Polygroup® durable above-ground swimming pool instead! Our Summer Waves® Active-Frame Pools and Quick Set® Ring Pools can be set up in a matter of minutes right in your backyard, ensuring you the thrill of making a splash sooner! Our Summer Waves® Elite line is designed to bring the luxurious and premium features from an in-ground swimming pool to our above-ground pools.

For over 30 years, Polygroup® has become the largest and most vertically integrated supplier in the industry. We are passionate and committed to maintaining sustainable growth and enhancing as a global leader in the industry, ensuring outstanding merchandises and excellent services to our customers.

## Classy Wicker and Stone Print Above-Ground Pools

Add some class to your backyard this summer. Introducing new patterns that can be applied to all types of above-ground pools. The newly designed contemporary Stone Slate print will give your backyard a taste of modern. Choose from five different patterns including Dark Herringbone, Dark Triple Basketweave, Dark Double Rattan, Natural Rattan and the beforementioned Stone Slate, and find the perfect design for your pool.

## Crystal Vue Elite Frame Pools

Get the feeling of being inside an aquarium with the Summer Waves® Crystal Vue Elite Frame Pool. Jump inside the pool with your goggles and look out the windows under water to give yourself a completely different experience. The Crystal Vue windows are seamed in to the pool liner that is made with super durable triple-layer materials and a polyester mesh.

## Wicker Print Active Frame Pools

The Summer Waves® Wicker Print Active Frame Pool is redesigned to add elegance and fun to your backyard. Now with a sleek and stylish Dark Double Rattan print, it is still made with the strong and durable materials that made the active frame pool so successful before. Equipped with a filtration system with every pool, you can enjoy making a big splash in your backyard this summer.

## Filter Pump Systems

### Cartridge Filter Pumps

Keep your pool water fresh and clean with our Cartridge Filter Pumps. This effective filtration system only requires the filter cartridge to be replaced once every two weeks, and is easy to install and maintain. These convenient filter pumps will provide you plenty of time to enjoy your pristine pool water all summer long.

## SkimmerPlus™ Filter Pumps

The innovative SkimmerPlus™ Filter Pump combines the functions of a skimmer and filter pump in one unit. The dual filtration technology continuously skims away debris from the water surface. This exclusive system conveniently attaches to the sidewall of any of our frame pools, which makes maintenance effortless and keeps the pool area clutter-free. Additionally, a handy adapter attaches quickly and easily to any vacuuming system.

### How Does It Work?

1. Dirty pool water and debris (leaves, insects, other impurities) enters the SkimmerPlus™ Filter.

2. Large debris is caught in the built-in skimmer.

3. Small debris is caught in the filter.

### What Are The Benefits?

- Built-in skimmer removes larger debris before it clogs the filter pump
- Filter paper removes smaller debris
- Removable skimmer strainer for easy cleaning

- Conveniently attaches to sidewall to prevent children from tripping over hose and pump
- Easy installation, just attach the hoses and plug in

## Sand Filter Pumps

Pool maintenance is a breeze with our convenient Sand Filters. This cost-saving pump utilizes all-natural sand to keep pool water clear and clean. The filter sand only needs to be replaced every five years, which makes this pump both efficient and eco-friendly.

### Features:

- Heavy-duty tank
- 6-port valve (backwash, rinse, filter, waste, recirculate and closed)
- Pressure gauge
- Powerful motor
- Fits all pumps with 1.5" fittings

## Robotic Pool Cleaner

Kick back and relax this summer and let the Robotic Pool Cleaner do the cleaning. Simply turn on the unit, place it into your pool, and watch the robot clean your pool automatically. With its wall sensor technology, the robot will change directions once it senses the wall, ensuring every corner of your pool is reached and thoroughly cleaned. With its built-in rechargeable battery, the robot can operate for up to about 45 minutes, leaving you with a sparkling clean pool to take a splash in.

 **45** minutes approx.  
battery runtime

 **2600** mAh

## Cordless Handheld Pool Vacuum

Clean your pool with ease with the Cordless Handheld Pool Vacuum. With its cordless mechanics and the long extension pole, you can maneuver the vacuum around the pool freely. The scrubbing brushes and its large suction doors helps the vacuum pick up dirt and debris efficiently in the pool, keeping your pool water clean throughout the season.

P56000025000

### Features:

- Removable brush head to vacuum larger debris
- Large suction door and scrubbing brushes
- Quick Charge: 3-4 hours battery recharge time
- Suitable for maximum pool depth of 6 ft [1.8 m]
- Container capacity: 0.8 L

90 cm Extension Pole

Cordless Operation

 **45** minutes approx.  
battery runtime

 **2600** mAh

## Pool Maintenance Kit
